## The Approaching Long-Term Care "Perfect Storm"

By Barry Volin

The Merriam Dictionary defines a "perfect storm" as a critical or disastrous situation created by a powerful concurrence of factors. This definition, as well as the potential negative outcomes, can arguably be applied to the Long Term Care sector of the health industry, primarily for providers of home health services and facility based acute rehabilitation and custodial care. As seen in 2016, this sector has been facing increasing challenges.
