ROCKAWAY — Sussex Bank has been named one of New Jersey's 2016 50 Fastest Growing Companies.

The award program produced by NJBIZ, New Jersey's premiere business news publication, is presented by WeiserMazars and sponsored by UnitedHealthcare, Archer & Greiner, Wilmington Trust, M&T Bank, and iPlay America.

The NJBIZ 50 Fastest Growing Companies awards program celebrates New Jersey's most dynamic companies who progressively contribute to the success of the state's economic growth and stability. To qualify, companies had to meet selection criteria that included a revenue size of at least \$500,000 within the past two out of three years and growth in revenue over a three year period, dating from fiscal year 2013 to 2015.

Presenting sponsor, WeiserMazars calculated the nominations and then ranked the companies according to revenue growth over the three year period. Both dollar and percentage increases were taken into consideration.

NJBIZ and the program sponsors will honor this year's fifty fastest growing companies and announce their ranking live during an awards reception and ceremony on Thursday, Nov. 10, 2016, at The Palace at Somerset Park in Somerset, New Jersey. The honorees will also be highlighted in a special supplement to NJBIZ on Nov. 14, 2016.

For more information about the NJBIZ 50 Fastest Growing Companies awards program, please contact Anna Acquaviva at annaa@njbiz.com or visit www.njbiz.com/events.
